ALL 4 ONE

About Us:

All 4 ONE is a highly collaborative, joyful organization where every child is known well and appreciated for their unique attributes. Committed to instilling in our students a love for learning and an appreciation for intelligence in its multiple forms, our talented faculty provides an outstanding educational experience that equips students with a strong academic foundation and valuable life skills. We employ a constructivist philosophy to allow students to continually reflect on their own learning, pose their own questions, and pursue answers in a structured, but personalized environment.

At All 4 ONE, we strive to reach our goals through student-centered instructional approaches, cooperative, project-based learning activities, and an integration of the arts into the core curriculum. Children at all grade levels are guided to make connections about what they learn to the world around them. Throughout the year, students have the chance to showcase their work and talents in Baltimore City.

Mission:

The mission of ALL 4 ONE is to provide Kindergarten to 12th-grade students of Baltimore with an innovative, high-quality programs that focuses on a creative arts-integrated, hands-on curriculum, with the overall goal of giving our students a lifetime appreciation of learning and the development of their unique talents and abilities during out-of-school hours.

Program:

Early Risers Program (morning program)

During the morning program there will be creative play or creative activity with morning motivation.

After School Program

Our daily after school programs provide school aged students with a safe and secure space to learn and grow. Students receive access to a Creative Arts Curriculum and a full afternoon schedule of activities which includes Music, Dance, Arts, Drama, Crafting, Computers, Movies, Outdoor Sports, and more are offered each week and a set number of events (during the school year)*. Students are assigned to classes based on age, and take part in developmentally appropriate activities. Student to teacher ratios remain small.

*** A cold snack or prepackaged snack will be provided daily**

Policies and Procedures

Guidance (Please review the following guidance procedures with your children.)

Our goal is to establish and maintain a behavior management system which will reinforce the following positive behaviors:

- Respect Others
- Respect Property
- Stay with your Group
- Leave Personal Belongings at Home

If my child's behavior seriously violates the safety of any child or staff, I understand that he/she may be temporarily excluded from the program. In these circumstances, I agree that a parent or authorized adult will pick up my child within 30 minutes of notification.

Discipline

1. Should inappropriate behavior occur, the concern will be discussed with the students, and a verbal warning will be given.
2. Should inappropriate behavior continue; a second warning will be given, and the parents will be notified.
3. Should inappropriate behavior continue, a third warning will be given, and the student will be suspended for ___ day(s).
4. Continued behavior problems may result in permanent dismissal. (Refunds will not be given.)

Parents may set up a meeting with the program director to discuss individual needs and concerns. We use a consistent, positive approach including redirection, diversion and separation, always promoting self-discipline. Parents will be notified if there is a consistent behavior problem.

Illness

It is in the best interest of your child and the other children if you keep your child at home when he or she is ill. Children with fever, diarrhea, or vomiting will not be admitted to the program. If a child becomes ill while at the program, the parent will be called immediately to pick up the child. Parents will be notified regarding contagious illnesses. Children will be readmitted when they are no longer contagious.

Medication

In accordance with state law, we will not dispense any medication to any child without advance written consent from the parent or guardian. Prescription medication may be given only to the child for whom it is prescribed. Over the counter medication must have the child's name clearly printed on the container. The parent must complete a "Parent Permission to Administer Medication" form, and give the form and the medication directly to the director in charge. All medication must be in its original container. If these steps are not completed, medication will not be administered. Students who are required to take medication during program hours must have a written consent from the parent and the doctor administering the medication. Forms for this purpose are available from the director. All medication must be in its original container with an accurate pharmacy label intact.

Health & Safety

All 4 ONE extremely well-versed in keeping children and families safe in this new environment. We follow all health and safety guidelines set forth by the Maryland Department of Health, the CDC, and state and local officials, including:

- Maintaining small groups. Students will remain in their groups; Groups are not able to mix.
- Students are required to always wear a mask. Staff also use gloves when necessary (in snack handling and first aid).
- temperature checks and health screenings for staff and students.
- Drop-off and pick-up will be at the side door (on PE side). Staff will complete the health screening questions and check temperatures (for morning program students). Masks are required for everyone drop-off and pick-up.
- Frequent hand washing by staff and students throughout the day, between activities and use of equipment.
- Social distancing - floor markers, signage, and more will be used to designate safe distance.
- Limiting shared supplies and disinfecting all supplies after each use.
- Propping interior doors open where appropriate to reduce contact points.
- Cleaning and sanitizing of high touch points using approved disinfectant and practices.

Attendance and Late Pick-Up

Parents must notify staff if their child will be late or absent. This is for the safety of the child. If the child is registered to come and does not appear, we will check first with the school to see if the child was absent, and then we will call the parent and emergency contact numbers to locate the child.

Child Pick-Up and Drop-Off

Children are marked off by way of attendance and parents must sign the child and notify a staff member when a child is leaving. Parents are required to come in and pick-up their child and sign the child out. Parents will give the program the names of all persons authorized to pick up their children. Staff will ask for picture ID of anyone they do not know. Persons not listed as authorized to pick up will not be allowed to check out a child. I understand that my child must be checked out either by computer or manually, both upon arrival and departure, by the person delivering/picking up the child.

If you are late picking your child up from the program you will be charged a \$8 late fee 5 minutes after program closes (and an added \$10 every 15 minutes thereafter).

Inclement Weather Policy

In the event of inclement weather, we will follow the policy lead for the school delays and cancellations. If your school is delayed, the program will be in session (in the morning, but delayed 2 hours) If your school is cancelled, the program will be cancelled. In the event that the program is in session, and the weather becomes dangerous, the parents are encouraged to arrive early to pick up their children from the program. Please be sure to call ahead and make an arrangement for someone to meet you at the door if needed.
